## Winemakers' Dinner

### **The Providores Restaurant**

Monday 24<sup>th</sup> September

Aperitif 7.00pm

First course served promptly at 7.30pm

We're thrilled to announce an evening showcasing eight of Martinborough's most respected vineyards matched with four courses of The Providores' innovative cuisine.

The Providores Head Chef, Karl Calvert and Executive Chef Peter Gordon, will guide you through the evening's menu giving you an insight into each course and its unique flavour combinations.

We'll also have four winemakers attending from the eight vineyards to talk you through their particular views on the winemaking world, whilst giving you an insight into their individual techniques. Each of the four courses served will be matched with two wines, giving you the opportunity to discuss and compare the wines with the winemakers themselves – a rare opportunity.

Limited places available at £85 per person  
(inclusive of all food and wine) via email [winebar@theProvidores.co.uk](mailto:winebar@theProvidores.co.uk)
